## RECREATION PROGRAM OPERATIONS DURING THE COVID-19 PANDEMIC

Program Parents and/or Participants:

Thank you for considering signing up for one of our fall/winter recreation programs. In light of COVID-19, we are making changes to our programs, and we are also asking that participants do their part to ensure the safety of our staff and all program participants.

### What We Are Doing

Modifications that will be put into place to ensure participant safety include for all programs:

- Frequent hand washing
- Practice social distancing when possible (alternative games and activities will be designed to keep distancing and physical interaction limited)
- Group sizes limited/broken down
- Hand sanitizer will be available to all staff and participants (parents should notify staff in advance if your child should not use it)
- Frequent disinfecting of program materials and supplies
- Staff members working indoors will be required to wear masks
- Program participants over the age of 5 will be required to wear masks while attending programs indoors
- Individual program supplies (crayons, markers, glue sticks) will be provided to all program participants, if needed for class. For snack, children will wash hands with soap and water before eating, and staff will wear gloves (and change as needed).

Please understand that due to the nature of the programs taking place, there will be times in which social distancing will not always be completely possible. Staff will do their best to make sure participants are interacting in a safe manner. As with everything during COVID-19, things may change on a frequent basis and will be re-evaluated throughout the length of the program(s).

For those individuals who have signed up for a recreation program but no longer feel comfortable attending due to the coronavirus, a refund may be requested at least 7 days from the start of a program, and will be placed on your household account in the form a credit to be used for future programs.

### What We Need You To Do:

The Fox Crossing Parks & Recreation Department will do the best we can to reduce the potential transmission of the COVID-19 virus, but we cannot do it alone. Families choosing to participate in our programs will be asked to do their part to follow CDC guidelines.

Before attending the program, please take the time to go through and answer these questions:

- Have you had a fever or been feverish in the past 24 hours?
- Have you had the chills or any body aches in the past 24 hours?
- Do you have a sore throat or cough?
- When you breathe, is there any chest tightness or congestions?
- Have you had diarrhea within the past 24 hours?
- Do you have any upper respiratory symptoms?
- Have you recently been around anyone suspected of having or who tested positive for COVID-19?

If you answered yes to any of these questions for either yourself or your child, please stay home. As the parent/guardian you are responsible for keeping the child home if any of the questions were answered yes on their behalf. Anyone with symptoms such as rashes, fever of 100.4 degrees or above, vomiting and/or diarrhea, deep cough or respiratory issues should NOT attend programs. Children/Participants must stay home until the following happens:

- No sign of fever for 72 hours (without the use of any medication)
- Cough or breathing problems have subsided
- Vomiting and/or diarrhea has stopped for 2 days

If a child becomes ill during class time, the parent or authorized person will be called to pick up the child within 15 minutes. While waiting for a parent to arrive, the child will be taken to a separate area away from the main activity area and made comfortable.

In the event we are notified of a positive case of COVID-19 with a staff member and/or program participant, the Winnebago County Health Department will be notified immediately, and from there we will follow their guidance.

If you have additional questions, please feel free to contact the Fox Crossing Parks & Recreation Office at 720-7108.

Stay Well,

Amanda Geiser  
Director of Parks & Recreation

Leah Zak  
Recreation Supervisor

# DANCE PROGRAM

## OVERVIEW

As with most things, the dance program will look a bit different this year. We are planning to have a fall and winter program like in years past, but will only be publishing the fall program information at this time.

We will be holding classes with the assumption that we will not be able to use any school district facilities for a large-scale recital during the 2020/2021 school year. Therefore, we are planning to have a smaller performance at the conclusion of each session (fall/winter). The performance will take place at the Community Center with only immediate family members in attendance and will be livestreamed so other family members may watch.

## PERFORMANCE COSTUME

Please expect a costume fee of \$20-\$30. Costumes this dance season will consist of a dance pant/capri (jazz, tap and hip hop), leotard and skirt (ballet) and dance t-shirt (all genres).

## CLASS LOCATION

Classes take place at the Community Center (1000 Valley Rd.). Parents should plan to wait in their vehicle while their child is at class.

## WEEKLY DANCE ATTIRE

- **Pre-Ballet/Ballet/Lyrical:** Leotard (any color), white or pink footed tights and pink ballet shoes (with a sole on the bottom, not the satin slipper kind).
- **Pre-Jazz/Jazz:** Black dance or yoga pants (form fitting, no jeans or baggy clothing) and black jazz shoes.
- **Tap:** Black dance or yoga pants (form fitting, no jeans or baggy clothing) and black tap shoes.
- **Tiny Toes:** Leotard (any color), white or pink footed tights and pink ballet shoes (with a sole on the bottom, not the satin slipper kind).
- **Hip Hop:** Any type of comfortable clothing and black jazz shoes.

## TINY TOES

Is your little one excited to start dance? This class will introduce 3-4 year olds to what taking a dance class is like. There will be lots of movement accompanied with music and fun.

## BALLET

Ballet is the most important of all the dance mediums. Students will learn grace in movement, body posture and placement, balance, and flexibility.

## LYRICAL

This class is a combination of ballet and jazz movements. The focus will be more on the expression of the music and lyrics. We ask that students have prior experience in ballet and/or jazz.

## JAZZ

Get ready to move! Emphasis is on technique, terminology and movement with proper execution of isolations, rhythms and styles performed to contemporary music.

## TAP

An emphasis on developing and strengthening basic tap technique and terminology while highlighting the importance of rhythm and sound.

## HIP HOP

Combination of street dance, body isolations, and modern jazz paired with popular fast moving music. Examples of hip hop moves would be: The Box, Freezes, Fish Flops, Coffee Grinders, and so much more! The class and music choices will be based on age group attending the class.

## COMBO

A mix of three different styles of dance including ballet, jazz and hip hop. A good mix for those older dancers who like a little variety!

## RECREATION PROGRAM POLICIES

### LIABILITY INFORMATION

Parks and recreation activities involve an element of risk or danger for all participants and may cause serious injury, death, or property loss. The Village of Fox Crossing does not provide or cover any medical or hospital insurance for participants in our programs. All persons participating in Fox Crossing Recreation sponsored programs must provide their own insurance and assume risk for all injuries. Outdoor classes are not held on days when lightning is present.

### ACCESSIBILITY STATEMENT

Reasonable accommodations will be made on an individual basis. If you require special accommodations in order to participate in a program, please inform us when you register.

### AGE & REGISTRATION EXCEPTIONS

Programs are designed according to age and/or instructor/student ratios or a level that will best benefit the student. Please do not ask us to exceed class limits or put your child in the wrong age or skill level. Participants need to meet the age requirement by the FIRST day of class.

### WAITING LISTS

If you are unable to register for a program due to full enrollment capacity, you are given the opportunity to put your name on the waiting list. There are no guarantees for placement, however if openings become available we refer to the waiting list first to fill the program. You will only be notified if a spot opens up.

### CANCELLING CLASSES

Unfortunately sometimes classes fail to reach their minimum enrollment capacity. If this happens we must cancel the class. You will be notified ahead of time and you will be given a full refund.

### CANCELLATIONS DUE TO WEATHER

Program cancellations will be announced on the Program Information Line at (920) 720-7139. This announcement line is updated as news arises. Every attempt will be made to reschedule a cancelled activity, however if the department is unable to reschedule the missed class, there will be no refunds for the cancellation.

### NON-RESIDENT FEES

A non-resident is defined as a person who does not reside or own property in the Village of Fox Crossing. Non-resident fees have been created to help supplement the existing tax subsidized programs.

### CITY OF MENASHA – RESIDENT FEES

Under a reciprocity agreement between the Village of Fox Crossing and the City of Menasha, city residents qualify for village resident fees.

### CLASS FEES AND REFUNDS

Fees are established with an attempt to standardize cost according to the number of sessions, facilities, equipment, supervision and instruction. Full refunds will be given when the department cancels a class or makes change in the class schedule that no longer fits the participant's needs or the participant submits a refund request (see Refund Policy).

### REFUND POLICY

The Fox Crossing Parks and Recreation Commission recognizes that circumstances arise causing an individual who is registered for a program to withdraw from the program and request a refund of payment. The intent of this policy is to make possible the refunding of registration fees and charges based upon circumstances beyond the control of a program participant.

- A 100% refund if a class is cancelled by the department.
- A refund less a 20% service charge, not to exceed \$5 if a refund request is received at least seven (7) days prior to the start of a program. The 20% service charge applies to each cancelled class. If a request is not made within seven (7) days prior to the start of a program, the class fee will be forfeited.
- A refund can be granted if there is a medical condition with proof from attending physician.

Refunds will not be granted for trips requiring advanced reservations or for programs that have already begun.

### COVID-19 REFUND POLICY

For those individuals who have signed up for a recreation program but no longer feel comfortable attending due to the coronavirus, a refund may be requested at least 7 days from the start of a program, and will be placed on your household account in the form a credit to be used for future programs.

### FINANCIAL ASSISTANCE/

### ROUND UP FOR RECREATION

The Fox Crossing Parks & Recreation Department strongly believes that all area youth should have the opportunity to participate in village-sponsored recreation programs. The department does not want to exclude any child from participation due to an inability to pay. Persons who feel they are unable to afford the cost of a youth activity may apply for a reduction of the program fee. Those seeking financial assistance must complete a financial assistance application and return it to the recreation office. Monies raised from persons who have "Rounded Up" their registration fees will be utilized to help fund these financial assistance requests.

### PHOTOGRAPHS

For program promotion purposes, from time to time photos will be taken of program participants. If you do not wish to have you or your child's photo taken, please tell the photographer and/or class instructor.
